

31 March 2010

Dear Members

As I mentioned last week, we are now just three weeks away from the start of the season and there are a number of jobs in and around the clubhouse that need to be attended to before then. In themselves they are not huge jobs, and if we have a good turnout then it becomes so much easier. The sightscreens may need some attention, however the main tasks are to put the nets up, paint the railings and generally get rid of accumulating rubbish. So nothing difficult there! Any vans or pick ups available to shift stuff?

Please would you come to the ground at 10am on Saturday 3 April, and it would be helpful if you were able to bring a paint brush, shovel or ladders. I don't expect you to stay all day, but if you would do an hour or two that would be great and much appreciated.

Unfortunately earlier requests for your help and support have been totally ignored, but I hope that this time you will take on board that it is your Club and that maybe you should contribute towards it rather than just turning up to play. I do not want to sound like a school master but **please please** do offer your help however long you are able to spare. If we have to pay for these jobs, then subscription levels will inevitably be affected.

I am directing this plea to all players, A, B and C team members and juniors alike along with any parents that will give us a hand.

I look forward to seeing you on Saturday.

Thank you and regards

Jamie Stokoe
