Hi All

I got back from Australia last week, and am looking ahead to this summer.

I start my job next week and there are many things I should like to improve and change at the club.

Senior training will be starting outdoors on Wednesday 7th April, 6:30 - 8:00.

The reason I have decided to change the day from Thursday to Wednesday is because the B and C teams often had games on Thursdays, which meant that the club members were split, and I want to avoid this. If you cannot make training then a call, text, or email to me would be expected please.

Junior nets commence on Friday 16 April.

I think that it is important in a team game that we all do our best, not only for ourselves but also for our team mates, and would therefore hope that you will all attend. I do want to encourage those that do put the effort in, so failure to turn up to nets without reason may jeopardise selection. Numbers coming to training over the past few years have not been high enough so I hope that you will make every effort to come along to every session.

Anybody wanting 1-1 coaching I am more than happy to do so, and I will charge £10 an hour.

I look forward to seeing you all soon. Let's make sure we have a strong year!
