

# DO YOU WANT TO BE A HOCKEY LEADER?

We are running a Hockey Leadership Course and invite you to attend!

The course covers the key areas of hockey; coaching, umpiring and managing.

You don't need to be a sporting superstar to get involved.

No qualifications are required to start the course (you just need to be at least 13-years-old), and while there are challenges and some tests, it's all fun.

It's rewarding and it will genuinely support your development and enjoyment of hockey.

**So, if you want to boost your confidence and complete a course which will help you in work, education, sport and life, sign up NOW!**
