## Brilliant Start!!!!

Congratulations to both the Combi and The first Team!!!! A brilliant start to the season sees the club riding high at the top of the table.

Clearly winning the Sean Loader trophy and the Omnitech Cup in August was not a flash in the pan and that we are a force to be reckoned with his season.

The news sheet editors would also like to offer our congratulations to Pecker whose selection for the Island squad is long overdue

Congratulations also go Gareth, Dawn, Wayne and Fay who have joined the committee this year. Many thanks ladies and gentlemen. Your help is massively appreciated

### Gymns Committee News/ Info

At this year's AGM Kieron gave up his post as chairman in order to concentrate on managing the first team. His work over the past few years has been invaluable and his contribution to the club should not be underestimated. Thanks for all your work Kieron.

At the meeting Gymns football club also received a massive boost in that 4 more members joined the committee. Welcome to Gareth Dawn Wayne and Fay . Tony took over as chairman for the year.

To most of you this may not seem to be earth shattering at all. However the very fact that Gareth got stuck in straight away and organised the very successful Race Night and brought in £1045 to club funds shows you how one person actions can influence a small club like ours.

Quite a few things have happened since the last newsletter.

We now have new goal posts courtesy, in part, of the FA.

The Sports Council also provided us with a grant to do pitch improvements during the Summer. We received £1750 and the pitch was weeded, sanded and vertidrained.

We have also bought a brand new mower with the financial help of CSSC Ltd.

The raffle will soon be upon us and all of us need to be involved in selling raffle tickets!!! This is where we have a chance to get some much needed cash into the club. Jabba has assured me that the prizes this year are brilliant!!!!

This years lottery awards will take place at the clubhouse on the 19<sup>th</sup> December. We propose to have a proper Christmas party that evening so get out your suits and the posh frocks.

We will have an even bigger youth squad this year thanks to the efforts of Mark and Kim. They are running a girls under - 15 squad and a boys under -11 team . Many thanks to you both and the best of luck for the season. If anyone feels like helping out then just pop along to the training sessions . You may also be interested in the next paragraph.....

The committee once again will pay for coaching courses so long as people are prepared to develop the youth section.. The committee firmly believes that the future of the club lies in developing youth squads. The ladies are showing you the way at the moment lads. Catch up time !!

The old clubhouse is to be a target for refurbishment this year. We need to do the showers, sort out the kitchen and sort out the garage. This work will be ongoing so if any of you can help or have some ideas please contact any member of the committee.

What is also vital if we are to present the right public image is the match day CAFF!!!! It is not a good thing if players ,refs and punters can't get a drink at half time and shelter a little from the elements. We have a machine and that is a start but ideally we need someone to run it properly

Sponsorship is always needed. If you know anyone who can contribute a few quid to the club we'd like to meet them. We can offer advertising, free nights out at Cronkbourne and a mention in the local press.

Cheers folks

The Committee
